electric diodes; electric flat irons for household use; electric hair- curlers for household use; electric navigational instruments; electric plugs; electric pocket translators; electric wires; electronic and magnetic ID cards for use in connection with payment for services; electronic card readers; electronic cards for processing images; electronic circuit boards encoded with computer programs for encrypting or decrypting information data;

electronic circuit boards encoded with video game programs for business use; electronic circuits recording programs for amusement apparatus for use with liquid crystal screens; electronic integrated circuits, CD-ROMs and other memory medium recorded programs, namely computer game programs, for hand-held games with liquid crystal displays; electronic payment terminal;

electronic publications, namely manuals for video game machines and magazines for video games recorded on computer media; electronic tags for electronic discernment; encrypting and micro programming devices for information processing machines, namely, computers and computer peripherals; eyeglasses; film cameras; flash lamps for cameras; flight simulators for aircraft;

frequency-carrier apparatus, namely, audio frequency transmission apparatus, cable-type frequency carrier apparatus, power-line-type frequency-carrier apparatus, open-wire-type frequency-carrier apparatus, carrier-frequency repeaters; game programs for hand-held games with liquid crystal displays; gateway routers in the nature of computer control hardware; goggles for sports; hand scanners; hard disc drive recorders;

hard disc drive video recorders; headphones; information gathering terminals with function of preserving data measured by remote watching and of transmitting the preserved data complying with demands; information providing devices, namely encrypting and micro programming devices for information processing machines; information terminals with function of data communication between computers and consumer video game machines;

integrated circuits for image processing; interactive multimedia computer game program; interactive video game programs; interactive video games of virtual reality comprised of computer hardware and software; interface cards for data processing equipment in the form of printed circuits; interface circuits for video cameras; keyboards for computers; LCD displays for computers; large scale integrated circuits; lens filters for cameras; life belts;

life jackets; light pens; loudspeakers; MP3; magnetic cores; magnetic optical discs encoded with video game programs for personal or business use; metronomes; microchip cards; microphones for telecommunication apparatus; microwave antenna; microwave transmission apparatus for delivering radio programs and messages; mobile phone straps; mobile telephone apparatus with built-in facsimile systems; mobile telephone batteries; mobile telephones;

modems for computers; motion-picture cameras for self-developing film; mouse pads for computers; multifunction keyboards; music composition software; navigation apparatus for vehicles (on-board computers); nickel-cadmium storage batteries; optical cables; optical disc drives; optical disc players and their exclusive controllers; optical disc recorders and their exclusive controllers;

optical discs encoded with assemblers, compilers, and computer programs for software development and computer programming in the nature of video game and video game software; optical discs encoded with video game programs for personal or business use; optical discs recorded computer programs; optical disk readers; parts and accessories for electric communication apparatus and instruments; personal digital assistants and their parts and fittings;

personal computers; personal headphones for use with sound transmitting systems; photo-copying machines; photograph machines and instruments equipped with computer based image processing devices; plug connectors; plug-in connectors; pocket translators, electronic; pocket-sized electronic calculators; portable video cameras with built in videocassette recorders; power amplifiers; power switches; pre-recorded DVD's featuring cinema and music;

pre-recorded compact discs featuring music; programs for personal digital assistants; radio receivers and monitors for reproduction of sound and signals; radio sets; radio transmitters and receivers for remote controls, radio controls; receivers for receiving cable television; receivers for satellites; recorded compact discs featuring music; recorded DVD-ROMs featuring musical entertainment films, animation and computer games;

recorded video discs and tapes featuring musical entertainment films, animation and computer games; refractometers; regulators for use in scuba diving; remote control telemetering apparatus; shield cases for magnetic disks; shoes for protection against accidents and fire; short range radios; shutters for cameras; side guards for eyeglasses; silicon carbide diodes; single use cameras with unexposed photographic film and fittings thereof;

single-channel radio communication machines and apparatus for fixed stations; ski goggles; software for optical character recognition; software for processing images, graphics and text; software for the operational management of portable magnetic and electronic cards; software to control and improve audio equipment sound quality; sound amplifiers; sound mixers with integrated amplifiers;

sound recorded optical discs featuring music and special effects; straps for cellular phones; swimming goggles; telephone apparatus, namely, intercoms, automatic switching apparatus for telecommunication, manual switching apparatus for telecommunication, telephone sets; telephone terminals; telephones; telescopes; television apparatus for projection purposes; television decoder; television monitors; television receivers;

time and date stamping machines; timers; touch pads; tripods for cameras; vending machines, namely, automatic distribution machines; video cameras; video frequency apparatus, namely, video cameras, videodisc players, videotape recorders; video game interactive remote control units; video recorded optical discs; video recorded optical magnetic discs; virtual reality game software; water ski safety vests; wet cells; wire communication apparatus, namely, teletypewriters, automatic telegraph apparatus, phototelegraphy apparatus, manual telegraph apparatus, trunk exchange apparatus, facsimile machines; word processors

Cl. 35 Addressing of envelopes; administration of a discount program for enabling participants to obtain discounts on goods and services through use of a discount membership card; administrative accounting; administrative processing of purchase orders within the framework of services provided by mail-order companies; advertising agencies; advertising and business management consultancy; advertising and commercial information services, via the Internet;

advertising by transmission of online publicity for third parties through electronic communications networks; advertising particularly services for the promotion of goods; advertising services, for third parties, in connection with the commercialization and sale of perfumery and cosmetic articles, products for household purposes, optical products, clocks and timepieces, jewellery, furnishing articles;

advertising, including promotion relating to the sale of articles and services for third parties by the transmission of advertising material and the dissemination of advertising messages on computer networks; advertising, services of a radio and television advertising agency; advice and information about customer services and product management and prices on Internet sites in connection with purchases made over the Internet;

advice on the analysis of consumer buying habits and needs provided with the help of sensory, quality and quantity-related data; advice relating to the organization and management of business; advisory and consultancy services relating to export, export services, export promotion information and services; advisory service for organizational issues and business administration, with and without the help of electronic data bases;

advisory services relating to business management and business operations; agencies or brokerage for trading of commodity on the Internet shopping malls; analyses and appraisals of enterprises; arranging and conducting of fairs and exhibitions for business and advertising purposes; arranging and conduction of auction sales; assistance in business management and product commercialization, within the framework of a franchise contract;

assistance in management of business activities; assistance to industrial or commercial enterprises in the running of their business; auctioning via telecommunication networks; bidding quotation; bill sticking; brokerage for mail order of commodity on the Internet; business administration consultancy; business advice and analysis of markets; business advice and commercial information;

business consultation and management regarding marketing activities and launching of new products; business intermediary and advisory services in the field of selling products and rendering services; business management assistance to industrial or commercial companies; business management consulting with relation to strategy, marketing, production, personnel and retail sale matters;

business operation, business administration and office functions; career placement; clerical work agencies for application of domain names; clerical work agencies for commodity sales by television, catalog, mail, computer, cable and network; clerical work agencies for issuing and sending bills of database use and Internet access;

clerical work agencies for order, reception and delivery concerning mail order by the Internet or television broadcasting; clerical work agencies of mail order via online of books, music, games, computer software, portable computers, fittings of computers and peripherals of computers; commercial information agencies, namely, providing business information in the field of video game machines and their software;

compilation and provision of trade and business price and statistical information; compilation and systematisation of information in databanks; compilation of information into computer databases; computerized accounting services; computerized on-line gift ordering service which matches the gift giver's requirements with the gift recipient's wants and needs;

computerized on-line ordering services in the field of video game apparatus for use with television receiver only and their software; computerized online ordering featuring general merchandise and general consumer goods; computerized word processing; conducting an on-line tradeshow exhibition, in the field of video game machines; consultancy concerning commodity sales of toys, game articles, and game machines; copying of documents for others;

creating and updating advertising material; customer loyalty services and customer club services, for commercial, promotional and/or advertising purposes; data input into a computer file; database management; demonstration of goods and services by electronic means, also for the benefit of the so-called teleshopping and homeshopping services; dissemination of advertising for others via an online communications network on the Internet;

distribution of advertisements and commercial announcements; document reproduction; duplication of documents; electronic commerce services, namely providing information products via telecommunication networks for advertising and sales purposes; foreign trade information and consultation; franchising, namely consultation and assistance in business management, organization and promotion; goods import-export agencies; human resources consultation;

information and expert opinions relating to companies and business; information, advisory and consultancy services relating to business and management or business administration, including such services provided on line or via the Internet; Internet advertising; investigation of consumer's consideration and consumption trend by collecting and analyzing key word input to the Internet search engine; invoicing services;

issuance of point improvement cards used on the Internet; issuance of trading stamps to enable users to obtain discounts on goods and services from participating merchants; keypunching; leasing of office equipment; mailing list preparation; management and compilation of computerized databases; management of computerized files; management on behalf of industrial and commercial enterprises in terms of supplying them with office requisites;

management or arrangement of Internet auctioneering; negotiation and settlement of commercial transactions for third parties; news clipping services; office machines and equipment rental; on-line advertising on computer communication networks; on-line retail store services featuring downloadable pre-recorded music and video; on-line retail store services featuring downloadable pre-recorded video game software;

on-line trading services in which seller posts products to be auctioned and bidding is done via the Internet; organization and holding of fairs for commercial or advertising purposes; organization of Internet auctions; organization of promotions using audiovisual media; organization of exhibitions for video game machines and their software;

organization, management or arrangement of exhibition and sale of books, image-recorded video discs and image-recorded video tapes on the Internet; organization, management or promotion of events for sales promotion of video game commodity; personnel placement and recruitment; production of radio commercials; production of television commercials;

promoting the goods and services of others by arranging for sponsors to affiliate their goods and services with an awards program, a sports competition and sporting activities; promoting the goods and services of others through on-line ordering and cataloging of those goods and services; promoting the goods and services of others through the distribution of discount cards; promoting the sale of goods and services of others by awarding purchase points for credit card use; promotion using audiovisual media; promotion, advertising and marketing of on-line websites; providing a searchable online advertising guide featuring the goods and services of other online vendors on the Internet; providing an online commercial information directory on the Internet; providing and rental of advertising space on the Internet;

providing business information, also via Internet, the cable network or other forms of data transfer; providing information on commodity sales on the Internet shopping malls; providing information on commodity sales using communication by mobile phone terminals or electronic computer terminals;

providing information on sales of hand-held games with liquid crystal displays and electronic circuits and CD-ROMs featuring programs for hand-held games with liquid crystal displays; providing information on sales of memory media featuring games; providing information on sales of sound-recorded CD, sound-recorded magnetic tapes, image-recorded video discs and image-recorded video tapes using telecommunication like the Internet;

providing information on sales volume or sales ranking of video game software; providing information on trend of video game industry and computer game industry; provision of advertising space by electronic means and global information networks; publicity and sales promotion relating to goods and services, offered and ordered by telecommunication or the electronic way; rental of advertising space on web sites;

rental of office machinery and equipment; rental of photocopying machines; rental of vending machines; retail shop window display arrangement services; retail store services featuring video game machines and their software, including over the Internet; subscription to a television channel; subscriptions to electronic journals; systemization and compilation of information into computer databases;

systemization and compilation of information into databases of computers and consumer video game machines; television advertising; the bringing together, for the benefit of others, of a variety of goods (excluding the transport thereof), enabling customers to conveniently view and purchase those goods; word processing and typing services; work analysis to determine work skill sets and other worker requirements

Cl. 38 Automatic operation transmitting of digital data; broadcast of cable television programs; broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; cellular telephone communication; communication by electronic computer terminals; communication by mobile telephone; communication via analogue and digital computer terminals;

communication via radio, telegraph, telephone and television transmissions; communications by television for meeting; computer aided transmission of messages and images; data communication by electronic mail; data transmission and reception services via telecommunication means; electronic bulletin board services; electronic data interchange; electronic data transmission;

electronic exchange of data stored in databases accessible via telecommunication; electronic mail; information about program tables for television broadcasting, cable radio broadcasting or radio broadcasting; information about television broadcasting, cable radio broadcasting and radio broadcasting; information transmission via electronic communications networks;

Internet cafe services, namely, providing telecommunications connections to the Internet in a cafe environment; leasing of telecommunications lines; maintaining and managing electronic mail servers; news agencies; providing access to telecommunication networks; providing connect terminals to a global computer network;

providing multiple use access to global computer information networks for the transfer and dissemination of a wide range of information; providing telecommunications connections to a global computer network; providing third party users with access to telecommunication infrastructure; providing user access to a global computer network; provision of access to data or documents stored electronically in central files for remote consultation;

provision of access to electronic sites; radio broadcasting; radio broadcasting of information and other programs; rental of apparatus for transmitting images; rental of modems; rental of telecommunication equipment including telephones and facsimile apparatus; satellite television broadcasting; satellite transmission; signal transmission for electronic commerce via telecommunication systems and data communication systems;

telecommunication by consumer video game machines, game machines with liquid crystal displays and computer terminals; telecommunication routing and junction services; teleconference services; television broadcasting; television broadcasting services provided on-line from a computer network; transfer of data by telecommunications; transmission of data, sound and images by satellite;

transmission of database information via telecommunications networks; transmission of information by electronic communications networks; transmission of information by satellite; transmission of information in the audiovisual field; transmission of information on optical telecommunication networks; transmission of information through video communication systems; transmission of messages and pictures via computers; transmission of news;

video-on-demand transmission services; virtual chatrooms established via text messaging; wire service

Cl. 41 Amusement parks; arrangement of training courses in teaching institutes; arranging and conducting of conferences; arranging and conducting of congresses; arranging and conducting of seminars; arranging of beauty contests; arranging of contests; arranging of exhibitions; arranging professional workshop and training courses; art exhibitions; beauty arts instruction; book and review publishing; book loaning; booking of entertainment halls;

booking of seats for shows and booking of theatre tickets; booking of seats for shows by electronic ticket system; bookkeeping instruction; digital image processing; direction of making radio or television programs; direction or presentation of plays; discotheque services; distribution of quiz programs, prize programs, game programs, and various entertainment programs by television; dubbing; dubbing of sound-recorded or video-recorded data media; dubbing or editing of video-recorded video tapes; editing or dubbing of sound-recorded magnetic tapes and optical discs; editing or recording of sounds and images; educational and instruction services relating to video games; educational examination; entertainment services in the field of video games; entertainment services, namely, providing on-line computer games; film distribution; film production; game services provided on-line from a computer network; game services using communication provided on-line from a computer network or the Internet; gardens for public admission; information about articles on video games and computer games published in newspapers, magazines, and web sites using the Internet web sites, e-mail communication or mail; information about booking of seats for shows using homepages and electronic bulletin boards accessed via computer terminal communication or cellular phones; information about education; information about game services, music services and movie services provided on-line from computer networks; instruction services in the field of video game machines and their software; judo instruction; magazine publishing; medical training and teaching; meditation training; mobile library services; movie services provided on-line from the Internet or a computer network (excluding those for download); movie studios; music services provided on-line from the Internet or a computer network (excluding those for download); newspaper publishing; operating lotteries; operating of film studios; operation of video equipment or audio equipment for production of radio or television programs; organization of games; organization of sports events in the field of football; organization of fashion shows; organization of sports competitions; organization, management or arrangement of game show; organization, management or arrangement of work symposium concerning program development for computer graphics and video games; photo editing; photograph picture services provided on-line from the Internet or a computer network (excluding those for download); planning arrangement of showing movies, shows, plays or musical performances; presentation of musical performance; production of radio or television programs; providing amusement arcade services; providing amusement parks; providing an on-line computer database in the field of video game machines and their software;

providing electronic publications which carry information on computer games, science fiction, games and entertainment; providing entertainment information in the field of video game machines and their software; providing facilities for movies, shows, plays, music or educational training; providing game programs for hand-held games with liquid crystal displays; providing information on-line relating to computer games and computer enhancements for games; providing on-line computer game using communication by consumer video game and by personal computer; providing on-line publications in the nature of magazines, books in the field of video game, science fiction games and entertainment; providing still pictures, animated cartoons, still pictures with voice, animated cartoons with voice and pictures of character etc; by communication via consumer video game machines or arcade video game machines; providing video images and sounds by computer terminal communication; providing video images and sounds for karaoke by computer terminal communication; providing virtual reality game center; publication and editing of printed matter; publication of books, of magazines, of journals, of newspapers, of periodicals, of catalogs, of brochures; publication of electronic books and journals on-line from a computer network; publication of electronic magazines; publication of electronic newspapers accessible via a global computer network; publishing of electronic publications in the future of video game, cinema and music; rental of amusement machines and apparatus; rental of camcorders; rental of cameras; rental of cinema films; rental of cinematographic machines and apparatus; rental of consumer video game machines; rental of diving equipment; rental of electronic circuits, magnetic discs, optical discs, magnetic optical discs, CD-ROMs and magnetic tapes recorded video game programs for personal use; rental of game cartridges, electric circuits, magnetic discs, magnetic tapes, and optical recording media featuring game programs; rental of game programs for consumer video game machines; rental of image-recorded magnetic tapes; rental of magazines; rental of motion pictures; rental of movie projectors; rental of phonographic and music recordings; rental of radio and television sets; rental of records or sound-recorded magnetic tapes; rental of ski equipment; rental of skin-diving equipment; rental of sound recordings; rental of video cassette recorders; rental of video screens; rental of videotapes; teaching in the field of game; television entertainment in the field of video games; tennis instruction; translation; videotape editing; videotape film production

Cl. 42 Aircraft design; certification of the inaccuracy of scales; chemical, biochemical, biological and bacteriological research and analysis; computer programming for others; computer software design for others; computer software design, computer programming, or maintenance of computer software for amusement apparatus adapted for use with television receivers only; computer software design, computer programming, or maintenance of computer software for protecting security of computer networks by defending the system from unlawful computer access; consultancy in the field of software design; creation and maintenance of web sites for others; creation of control programs for automated measurement, assembly, adjustment, and related visualization; creation of control programs for electric operation control and drive modules; data conversion from physical to electronic media; data conversion of computer programs; design and development of information and data bases; design and development of networks; design and maintenance of web sites for third parties; design of apparatus and machines for filling purposes; design of computer programs and software relating to aircraft; design sketching of packaging, containers, dinnerware and table utensils; design, development and implementation of software; design/planning and engineering of compressed- air stations; designing computer software for controlling self-service terminals; designing of consumer video game machines; designing of machines, apparatus, instruments or systems composed of such machines, apparatus and instruments; developing computer programs for electronic cash register systems; developing of driver and operating system software; developing programs for simulating experiments or series of experiments in a virtual optical laboratory; development of software for secure network operations; development of technologies for the fabrication of circuits for wireless communication, electronic data processing, consumer electronic, automotive electronics; development, maintenance and updating of a telecommunication network search engine; development, updating and maintenance of software and data bases; duplication of computer programs; geological surveys or research; image processing software design; information processing by computer; installation of computer software; leasing access time to a computer data base using telephones, cellular phones, consumer video game machines or computer terminals; litigation consultancy; maintenance of computer software used for operating filling apparatus and machines; marine, aerial and land surveying; programming of multimedia applications; providing electronic verification of on- line orders of digital content and generating electronic permission codes which then allow users to access said digital content; providing information relating to legal affairs; providing meteorological information; rental of a database server to third parties; rental of application software; rental of computers; rental of laboratory apparatus and instruments;

rental of magnetic tapes, CD- ROMs and DVD-ROMs encoded programs for computer system security of computers and of consumer video games; rental of server's memory; repair of damaged computer programs; surveying; tool design; updating of computer programs for third parties; water quality control services; working on and evaluation of chemical analyses

Cl. 43 Boarding for animals; booking of campground accommodation; cafe-restaurants; catering for the provision of food and beverages; child care services; coffee-house and snack- bar services; fast food and non-stop restaurant services; guesthouse; hotel services; operation of tourist homes; preparation of food and beverages; preschooler and infant care at daycare centers; providing conference rooms; providing facilities for fairs and exhibitions; providing foods and beverages at restaurants with the Internet use environment; providing tea, coffee, cocoa, carbonated drinks or fruit juice beverages while allowing customers to play games with installed video game machines; providing temporary accommodation; reservation of hotel rooms for travelers; reservation of restaurants; tea rooms; tourist inns

Cl. 45 Authentication, issuance and validation of digital certificates; day and night guards; fashion information; fortune-telling; funeral service undertaking; horoscopes; identification verification services, namely, providing authentication of personal identification information; identification verification services, namely, providing authentication of personal identification information via secure storage and transmitting such information via the Internet; identification verification services, namely, providing authentication of personal identification information via secure storage and transmitting such information via the Internet; investigation or surveillance on background profiles; marriage partner introduction or dating services; on-line authentication of user in electronic commerce for others; personal body guarding; providing grave spaces or charnel houses; providing user authentication services in e-commerce transactions; rental of altars; security control of persons and luggage in airports; security guarding for facilities

(500) Provisions of paragraph 44(3)(b) applied.*

Cl. 9 Sunglasses; spectacle cases; recorded data media (audio/video), compact discs, DVDs, videotapes; magnetic and optical data media; computer game programs; apparatus for games adapted for use with television receivers only; golf score counting devices not included in other classes; computers; computer peripheral devices; portable telephones; electrical communication apparatus; electrical apparatus and instruments for receiving, sending, storing, recording or reproducing sound and/or video signals and/or information; measuring apparatus and instruments; cell phones; parts and fittings for the aforesaid

Cl. 12 Golf carts, golf carts with electric or other engine; automobiles, parts and fittings for the aforesaid

Cl. 14 Jewellery; watches; coins; medallions (jewellery); pins (jewellery)

Cl. 16 City guides; geographical maps; posters; books, namely reproduction of historic books; prints (engravings); graphic prints; magazines (periodicals); paperweights; golf score counting devices not included in other classes; pads (stationery); writing or drawing books; paper knives (cutters) (office requisites); photographs; stationery

Cl. 18 Trunks (luggage), purses, pocket wallets, traveling sets, traveling bags, key cases, all made of leather and imitations of leather, not included in other classes; sports bags; shoe bags; toiletry bags; umbrellas; parts and fittings for the aforesaid

Cl. 21 Mugs, not of precious metal; drinking vessels

Cl. 24 Textile and textile goods, not included in other classes; bed and table covers

Cl. 25 Clothing, footwear, headgear; golf clothing; golf footwear; neckties; sun visors; caps (headwear); cap peaks; wrist bands

- Cl. 28 Golf balls; golf gloves; golf clubs; golf bags, with or without wheels; pitch mark repair tools (golf accessories); jigsaw puzzles; cups (trophies); golf markers; tees (golf); bag rain covers; playing cards; games and playthings; automatic games other than those adapted for use with television receivers only; parts and fittings for the aforesaid
- Cl. 29 Fish, meat
- Cl. 30 Coffee, tea, chocolate
- Cl. 32 Mineral waters (beverages); isotonic and fruit beverages, beers
- Cl. 33 Alcoholic drinks (except beer)
- Cl. 34 Tobacco; smokers articles, matches; ashtrays, of precious metal, for smokers
- Cl. 36 Financial affairs; monetary affairs; banking; real estate management, namely management of golf facilities
- Cl. 38 Telecommunications, providing access to games and web pages and information relating to golf online
- Cl. 39 Passenger transport by air; travel arrangement; travel reservation
- Cl. 41 Providing golf facilities; providing sports facilities; organization of competitions, namely golf competitions; providing of training, namely golf training; game services provided on-line (from a computer network)
- Cl. 42 Technological services; design and development of computer hardware and software; design and development of games played on electric or electronic devices
- Cl. 43 Services of providing food and drink; temporary accommodation
