(500) Trade Mark Description: Mark Description: The mark consists of a figure substantially shield-like, on the upper part of which a star is represented, having inside a circular space where there is a silhouette formed by three segments having curved outlines and irregular thickness. The first segment, in the lower part, is oriented substantially in the horizontal direction; the second one begins from the left and off the first one, substantially in the vertical direction, while the third segment on the upper part, begins from the end of the second one opposite to the first segment, following an arched course to recall the circular space. Between the first and the third segment is represented, with fancy characters, the letter "E". Besides the shield-like figure, the mark has moreover, in fancy characters, the wording "L-PROTECTION".\*
