OFFICIAL NOTICES

**Close-down periods for the Patent, Trade Marks, Designs
Offices and the sub-offices**

The close-down provisions in the Patents, Trade Marks and Designs legislation provide for the effect of the Patent Office, the Trade Marks Office and the Designs Office in Canberra or any of their sub-offices in the State capitals not being open for business.

On 23 October 2009, IP Australia's Director General declared under the close-down provisions the days when the Patent, Trade Marks and Designs Offices and their sub-offices would not be open for business. This covers the period from 6 November 2009 to 1 January 2011.

Authorised Australia Post outlets, "IP Lodgement Points", in Hobart, Perth, Adelaide, Sydney, Darwin and Melbourne are sub-offices for the purposes of the Patents, Trade Marks and Designs legislation. These Australia Post outlets may be physically open to the general public for other services provided by Australia Post during the close-down period. However, as declared by the Director General, they are taken not to be open for business for the purposes of lodging IP documents and/or making IP-related payments from Friday 25 December 2009 until Friday 1 January 2010.

If the last day for doing an act is a day when a sub-office is not open for business, section 222A(1) of the Patents Act, section 223A(1) of the Trade Marks Act and section 136A(1) of the Designs Act allow for the act to be done on the next day when the sub-office is open for business. This means that customers will not be disadvantaged by the closure of the sub-offices for the period between Christmas Day and the New Year's Day holiday.

Amendments to Trade Marks Regulations 1995

On 25 November 2009, the Federal Executive Council made the *Intellectual Property Law Amendment Regulations 2009 (No.2)* (the IP Regulations). The IP Regulations have been registered on the Federal Register of Legislative Instruments and copies are available from the ComLaw website (www.comlaw.gov.au).

Amongst other matters, the IP Regulations will amend the *Trade Marks Regulations 1995* (the Trade Marks Regulations) to repeal subregulations 21.2 (3) and (5). Subregulation 21.2 (3) provides for documents to be filed by any electronic means, whilst subregulation 21.2 (5) enables the Registrar of Trade Marks to require the filing of a printed version of a document filed by electronic means.

Due to the general applicability of the *Electronic Transactions Act 1999*, IP Australia believes that these electronic communication provisions are no longer required.

The amendments to the Trade Marks Regulations will commence on 12 December 2009.
