ABSTRACTS OF DECISIONS

ABSTRACT OF REASONS FOR A DECISION OF A DELEGATE OF THE REGISTRAR OF  
TRADE MARKS

**Trade Mark Application** : 1210786 : OMEGABEE  
**Applicant** : Mark Robinson & Brenda Robinson  
**Opponent** : Omega SA  
**Decision** : **Regulation 5.15:** application for extension of time to  
serve evidence in support – Registrar’s intention to refuse  
- application allowed in circumstances of the case–  
evidence in support to be filed and served by end of  
extension period.  
**Decision Issued** : 26 March 2010

— — — — —

**Trade Mark Application** : 1240640 : MARA CINO  
**Applicant** : NICK ZISIMOPOULIS and MARY TUCCERI-CIMINI  
**Opponent** : GUESS EUROPE SAGL  
**Decision** : Section 222 decision by Registrar to dismiss opposition  
not properly made and therefore set aside – discretion not  
properly exercised and natural justice not afforded to the  
opponent, in the form of an opportunity to be heard.  
Section 224 extension of time no longer relevant.  
**Decision Issued** : 30 March 2010

Proceedings Under The Trade Marks Act 1995

Applications/IRs Filed

Nos 1350995 to 1352344

Representations of the trade marks comprised in the following list of applications/international registrations designating Australia may be inspected at the Trade Marks Office , Canberra and in the Trade Marks Sub-Offices at Sydney, Melbourne, Brisbane, Adelaide, Perth and Hobart. The date following the class is that on which the application was filed; in the case of convention applications the country of origin and the date claimed are in parentheses.

 (511)(510)  
**Cl. 2** Lacquers; printing inks, printing pastes, ink cartridges (filled) for printers  
**Cl. 7** Digital printers, laser printers, ink-jet printers, ink-jet printers for printing packaging, photo printers; the aforementioned goods also for surface technology, i.e. for the surface treatment (printing, sealing, varnishing, etc.) of, for example, tiles, wood, plastic materials, packaging films, etc., as well as for effect printing using brilliant varnish; album binding apparatus; parts and accessories of these goods  
**Cl. 9** Electronic and opto-electronic, electric, measuring, signaling and checking (supervision) apparatus and instruments; optical, electric and electronic measuring instruments; mechanical, pneumatic, electric and electronic control devices; optical and electronic analyzers; electric and electronic timers; cutting machines; light meters; heating, cooling and bath level monitoring devices (excluding closed system heating, cooling and bath level monitoring devices); driers; temperature control systems (excluding closed system temperature control systems); cutters/sorters; cutting devices, including cutting devices with automatic barcode recognition and with waste and collection devices as well as with folding tables for cutting;

all of the foregoing being for use in relation to and/or in the field of photography or photographs, surface treatment and/or decoration and/or printing; surveying and cinematographic apparatus and instruments; apparatus for recording, transmitting and reproducing sound or images; magnetic data carriers; image processing software;

printers, apparatus and equipment for digital imaging in the field of photography and printing, including digital printers, laser printers, ink-jet printers, ink-jet printers for printing packaging and photo printers and also for surface technology, i.e. for the surface treatment (printing, sealing, varnishing, etc.) of, for example, tiles, wood, plastic materials, packaging films, etc., and also for effect printing using brilliant varnish;

photographic apparatus and instruments, phototechnical apparatus and instruments, apparatus and instruments for photographic laboratories, and equipment for photographic laboratories, all for conventional and digital photography; projection, enlarging, reproduction and photo printing devices and automats; apparatus and equipment for electronic image processing and for the treatment of sensitive materials; film and paper developing machines; accessories for photograph enlargement and reproduction apparatus; optical and/or electronic focusing devices; color heads; video camera and still camera lenses; lenses; lens barrels/objective tubes; negative sleeves; paper holders; photo reproduction units; marking devices; photometers and/or colorimeters; densitometers; photometric analysers; video analysers; apparatus for scanning and/or the electronic recording of images;

accessories for darkrooms and photographic laboratories, lamps for photographic use and for darkrooms, driers for films and paper, paper washing machines, paper feeders and paper unwinding devices, masking frames, pneumatic plates, developing machines, processing drums, processing reels, processing basins, processing cylinders, loading devices for developing machines, basins and trays for developing and/or washing, driers,

funnels (in particular for photographic use), dosing devices and graduated beakers, tempering devices for treatment baths, tweezers for paper and film, film clips, drying rolls, tweezers and clips, all for use in darkrooms and/or photographic laboratories; glazers; masking frames; lamps for photographic use; lamps for darkrooms;

apparatus for photographic processing and reproduction, comprising of feeders/stackers for automatic feeding of plate material; roller transport systems; paper processors; paper cassette systems; baths; imagers; front/end work stations; film scanners; editing stations; CD robots; keyboards; USB card readers for digital storage media; CPU switches for use of a monitor; paper turrets; paper feed units; winding-up units;

parts and accessories for all the aforementioned goods

**Cl. 16** Printed matter, handbooks and manuals, bookbinding material, albums, photographs; paper, cardboard, and goods made from these materials, including displays, packaging materials such as corrugated packaging; synthetic packaging materials

(500) Provisions of paragraph 44(3)(b) and/or Reg 4.15(3)(b) applied.\*

dissemination of information in the fields of communications, telecommunications and news via online services and mobile services, including SMS, MMS and 3G services; electronic bulletin board services (telecommunications services); electronic communication services for the transmission of data; electronic communication services, including by means of computer; electronic communications consultancy;

electronic data communications, exchange and interchange services; electronic file transfer; electronic funds transfer communication services; electronic instructions transmission services; electronic mail services; electronic message services; electronic message transmission; electronic network communications; electronic relaying of messages and signals; electronic relaying of messages;

electronic transmission of data, documents, images, information, messages, voices, television programs, television content and written communications; e-mail services; facsimile communication and transmission services; facsimile transmission services; fibre optic telecommunications services; forwarding of messages by telephone; hire of electronic mail boxes; hire of communications and telecommunications apparatus, installations and instruments;

information about telecommunication; information and message receiving and sending services including telephone information services and 3G services; information services (including on-line, interactive, digital and datacasting information services) in the fields of communications, telecommunications and news; information services relating to broadcasting, electronic communication networks and telecommunications;

interactive services for facilitating the viewing, download, and recording of television programs and television content; Internet portal services; Internet services provider services; leasing access time to web sites Internet portal services; leasing access time to web sites; maritime radio-telephone network services; message boards; message sending; message storage and transmission; MMS telephony services;

mobile radio and telephone communication services; mobile telephone services; music broadcasting; netcasting; news agencies; news broadcasting; on-line visual, audio and audio-visual transmission services; operating of electronic communications networks, electronic communications systems, television systems, cellular communications systems, local area networks, paging systems, telecommunications apparatus, broadcast apparatus,

telecommunications systems, television cable networks and wide-band telecommunications networks; operation of cable television networks and systems; operation of cellular communications systems; operation of local area networks; operation of paging systems; operation of telecommunications apparatus and systems; operation of wide-band telecommunications networks; optical fibre telecommunications services;

paging services by radio, telephone or other means of electronic communication; pay telephone communication and broadcasting services; planning relating to communications; point of sale communication services; preparation of reports relating to communications; providing access to computer networks and online computer databases; providing information, including on-line, about telecommunications;

providing of access to telecommunication warehousing services; providing telecommunications connections to a global computer network; providing user access to a global computer network and online sites containing information on a wide range of topics; providing user access to global positioning signals for navigation purposes; providing user access to search engines; provision of access to electronic messaging systems;

provision of access to television, including via decoding apparatus; provision of broadcasting equipment for outside locations; provision of communications between computers; provision of communications by telephone; provision of communications information; provision of electronic communications facilities; provision of electronic data links; provision of electronic mail facilities;

provision of facilities for radio receiving and radio transmission; provision of information in the fields of communications, telecommunications and news by means of electronic communications networks including global computer networks and mobile services, including SMS, MMS and 3G services; provision of information relating to communications; provision of private mobile radio services; provision of telecommunication facilities;

provision of teleconferencing facilities; provision of telephone directory information; provision of user access to the Internet; radio broadcasting; radio communication services, including by radio telephone; radio information services; radio telecommunications; radio-facsimile services; receiving communications and transmissions including email, text, audio, images and audio-visual material;

remote transmission of data by means of telecommunications; rental of apparatus for the broadcast of audio and video signals; rental of broadcasting time by satellite; rental of broadcasting, communication, information transmitting, message sending, television, cable television, radio, satellite broadcasting, communications, telecommunication and telephone apparatus, instruments, installations, systems and equipment;

rental of electronic mail-boxes, facsimile apparatus, information transmitting equipment, local area networks, message sending apparatus, modems, paging equipment, signal decoders, signalling apparatus and telephone circuits and lines; satellite broadcasting, communications, telecommunications, transmission and conferencing services; sending of messages by electronic means; SMS and text message services, including SMS and text alert services;

telecommunication services being the provision of links to databases; telecommunications advisory services; telecommunications brokerage and consultancy; telecommunications routing and junction services; telecommunications; teleconferencing services; telegraph services; telegraphic communication services; telephone paging services; telephone services; teletext services; televisual communication services; telex services;

transmission of computerised data; transmission of data, documents, messages, television programs, radio programs and information, including by audio-visual apparatus, cable, computer, television, telephone, radio and microwave, and by electronic means; transmission of information on a wide range of topics by means of electronic communications networks including global computer networks and mobile services, including SMS, MMS and 3G services;

transmission of information on a wide range of topics via on-line services (including online, interactive, digital and datacasting information services); broadcasting of information on a wide range of topics; transmission of information on a wide range of topics, including via on-line services (including online, interactive, digital and datacasting information services) and via mobile services including SMS, MMS and 3G services;

transmission of information on a wide range of topics, including on-line and over a global computer network; transmission of news; transmission services (regardless of the technological means of transmission); video communication and transmission services; videotext services; webcasting; wireless communication and telephone services; operating chat rooms;

telecommunications services being the provision of on-line facilities, via a global computer network, to enable users to program audio, video, text and other multimedia content, including music, concerts, videos, radio, television, news, sports, games, cultural events and entertainment-related programs; telecommunications services being the provision of access and viewing facilities for entertainment and media files;

information, support, assistance, consultancy and advisory services in relation to the foregoing

- Cl. 41** Production of television programs and television content, including interactive television programs and television content; production of television and radio shows, video and audio tapes and DVDs; educational and entertainment services provided via all forms of publication, delivery, dissemination and electronic transmission, including broadcast, narrowcast, multi-point, point-to point, free-to-air, pay and subscription television, streaming, online transfer, download, datacasting and digital means; publishing; electronic publishing; information services (including on-line, interactive, digital and datacasting information services) in the fields of awards, education, entertainment, sport, recreation, political news, news programming, current affairs and cultural activities; publication of information on global computer networks including the Internet; arranging and conducting educational seminars and workshops; publication of information in the fields of awards, education, entertainment, sport, recreation, political news, news programming and current affairs, including via online services; provision of information in the fields of awards, education, entertainment, sport, recreation, political news, news programming and current affairs, including by means of electronic communications networks including global computer networks; interactive games services; amusements; recreation services; consumer education services including in relation to restaurants, clothing, cosmetics, hotels and other temporary accommodation, holidays, motor cars, and consumer goods and consumer services; arranging, organising, hosting, presenting and conducting of shows, festivals, recreational activities, performances, quizzes, exhibitions, live shows, concerts, stage shows, parties, entertainment events, ceremonies, races, contests, public forums, balls, discos, dances, award ceremonies, sporting events and other entertainment; entertainment services of a magazine club;

advisory services in relation to awards, education, entertainment, recreation, publishing and training; arranging, organising and conducting competitions, contests and tournaments in this class; arranging, organising, hosting, presenting and conducting competitions, awards, award presentations, award ceremonies, honours presentations and honours ceremonies including to recognise achievement, bravery and courage;

arranging, organising and conducting competitions, contests and tournaments for cultural, educational, entertainment, training, culinary, sporting, recreational, artistic, musical, dancing, racing and equestrian purposes; competitions provided by telephone, SMS, MMS, 3G and other communications technologies; conducting of phone-in competitions; conducting of competitions by SMS, MMS, 3G and other communications technologies; cinema services;

commissioning of literary, artistic and musical works; distribution of audio recordings, films, radio programmes, sound recordings, television programs, television program content, videos and motion pictures, other than by transportation; dubbing; editing of audio recordings, films, radio programmes, sound recordings, television programs, television program content, videos and motion pictures and written text;

electronic publication of information on a wide range of topics, including on-line and over a global computer network; event management services; fan club services; gambling services, including provided on-line; betting services; game shows; gaming; gaming machine rental; sporting tournaments; hire of stage and television scenery; hire of video recording apparatus, video tapes, videos and DVDs; magazine publishing; motion picture production; motion picture rental; motion picture and television studio services; racing, including motor racing; movie studio services; musical concert services; musical performances; news and current affairs programs; news program services; news reporters services; organisation and conducting of dance, music and other entertainment festivals, animal shows and ceremonial events;

organisation of fan clubs, games, sporting competitions, symposia, teaching activities, vehicle racing events, ice-skating shows, beauty contests, beauty pageants, equestrian events and golf tournaments; pay television entertainment; photographic film editing; photographic library services; photographic reporting; photography;

producing of motion pictures, plays and videos, animated films and cartoons, audio and/or video recordings, audio entertainment, audio/visual presentations, cable television programmes, cine-films, fashion shows, films, live entertainment, live performances, magazines, motion pictures, music shows, musical recordings, news and current affairs programs, plays, radio programmes, sound recordings, special effects, sporting events,

stage performances, stage plays, television programs, theatre and videos; provision of an online chat room/forum for educational or entertainment purposes; rental of acoustic recording equipment, acoustic reproduction equipment, amplification and sound reinforcement equipment, audio equipment, audio and video recordings, camcorders, CD-ROMs, cine-films, cinemas, cinematographic apparatus, entertainment apparatus, DVDs,

educational materials or apparatus, electrical apparatus for the recording of sound or video signals, equipment for use at sporting events, facilities for the production of television programs or films, film studios, films, motion pictures and film production equipment, gaming machines, sports equipment, lighting apparatus for theatrical sets or television studios, magazines, motion pictures, movie projectors and accessories, pre-recorded films,

projectors, radio and television sets, show scenery, sports facilities, stadium facilities, stage scenery and sets, television programs, television sets, video cameras, video recorders, video recordings and videotapes; reservation and booking services for entertainment events; booking services for seats for entertainment events; sporting activities; syndication of radio and television programs; telephone games; television entertainment;

television program distribution (other than transportation); television studio services; television viewing guide services; theme park services; video arcade services; video editing; video entertainment services; video equipment hire; video game arcade services; video game entertainment services; video production services; video rental services; videotaping; wagering services; writing for others;

information, support, assistance, consultancy and advisory services in relation to the foregoing

**Cl. 38** Broadcasting, communication, telecommunication and datacasting services including television broadcasting services and interactive services; broadcasting, communication, telecommunication, transmission and datacasting of programs and program content, including news and sports programs and content; digital broadcasting, communication, telecommunication and datacasting services (including interactive services); television broadcast transmissions;

television broadcasting; 3G mobile services, including 3G message sending services; audio and audiovisual communications services; audio and audiovisual transmission services; broadcast of information by means of television; broadcast of television and radio programs; broadcast transmission by satellite; broadcasting of cable television programs; broadcasting of programs by television, radio and satellite;

broadcasting or transmission of recorded messages and information; cable broadcasting and transmission; cable television broadcasting; cable television services; car telephone communications services; cellular communications services including radio telephone services; cellular telecommunications services; cellular telephone communication; chat room services;

communication by and between computers, including via global computer networks including the Internet; communication by electronic mail systems; communication by electronic means or provided electronically; communication by radio and telegram; communication network consultancy; electronic transmission of streamed and downloadable files, including audio and video files, via computer and other communications networks;

providing on-line chat rooms, bulletin boards and community forums for the transmission of messages among computer users concerning entertainment, music, concerts, videos, radio, television, film, news, sports, games and cultural events; web casting services; delivery of messages by electronic transmission;

provision of connectivity services and access to electronic communications networks, for transmission or reception of audio, video or multimedia content; dial-up and broadband delivery of customer content; music, video, audio, television and data streaming services; providing multiple user access to proprietary collections of information and content by means of global computer information networks;

communication of data and information by telecommunications, computer, cable, satellite, television, video, radio, broadcast, telephony or electronic means; communication of data by means of telecommunications; communication services between computers; communication services between data banks; communication services by cable; communication services by electronic means; communication services by television, radio and satellite;

communication services for the transmission of data, images, voices and information; communication services for video conferencing purposes; communication services over computer networks; communication services provided by facsimile; communication services provided electronically; communications and transmissions between mobile telephones and computers, including over 3G networks; communications and transmissions between mobile telephones and mobile telephones, including over 3G networks; communications and transmissions with 3G devices and between 3G devices; communications and transmissions with mobile telephones, including over 3G networks; communications by closed circuit audio or video systems; communications by computer terminals; communications by fibre optic networks; communications by telegrams; communications by telephone and facsimile; communications consultancy; communications services for accessing a database; communications services for telegrams; communications services for the exchange of data in electronic form; communications via telephone and facsimile; computer aided receiving and transmission of messages and images, including from 3G devices and over 3G networks; computer bulletin boards; computer communication services; computer communications for the transmission of information; computer data transmission services; computer intercommunication; computer network communication services; computer transmission services; computerised communication services; computerised data communications; consultancy services relating to communications, data communications and telecommunications; data broadcasting services; data communication and transmission services; data communication by electronic means; data transmission by electronic mail; data transmission for others; data transmission, including over telecommunications networks; delivery of digital music by telecommunications; delivery of messages and audiovisual media by electronic media; delivery of music, audio, video and audiovisual content by telecommunications; digital network telecommunications services; digital transmission services; dissemination of information in the fields of communications, telecommunications and news via online services and mobile services, including SMS, MMS and 3G services; electronic bulletin board services (telecommunications services); electronic communication services for the transmission of data; electronic communication services, including by means of computer; electronic communications consultancy; electronic data communications, exchange and interchange services; electronic file transfer; electronic funds transfer communication services; electronic instructions transmission services; electronic mail services; electronic message services; electronic message transmission; electronic network communications; electronic relaying of messages and signals; electronic relaying of messages;

electronic transmission of data, documents, images, information, messages, voices, television programs, television content and written communications; e-mail services; facsimile communication and transmission services; facsimile transmission services; fibre optic telecommunications services; forwarding of messages by telephone; hire of electronic mail boxes; hire of communications and telecommunications apparatus, installations and instruments; information about telecommunication; information and message receiving and sending services including telephone information services and 3G services; information services (including on-line, interactive, digital and datacasting information services) in the fields of communications, telecommunications and news; information services relating to broadcasting, electronic communication networks and telecommunications; interactive services for facilitating the viewing, download, and recording of television programs and television content; Internet portal services; Internet services provider services; leasing access time to web sites Internet portal services; leasing access time to web sites; maritime radio-telephone network services; message boards; message sending; message storage and transmission; mms telephony services; mobile radio and telephone communication services; mobile telephone services; music broadcasting; netcasting; news agencies; news broadcasting; on-line visual, audio and audio-visual transmission services; operating of electronic communications networks, electronic communications systems, television systems, cellular communications systems, local area networks, paging systems, telecommunications apparatus, broadcast apparatus, telecommunications systems, television cable networks and wide-band telecommunications networks; operation of cable television networks and systems; operation of cellular communications systems; operation of local area networks; operation of paging systems; operation of telecommunications apparatus and systems; operation of wide-band telecommunications networks; optical fibre telecommunications services; paging services by radio, telephone or other means of electronic communication; pay telephone communication and broadcasting services; planning relating to communications; point of sale communication services; preparation of reports relating to communications; providing access to computer networks and online computer databases; providing information, including on-line, about telecommunications;

providing of access to telecommunication warehousing services; providing telecommunications connections to a global computer network; providing user access to a global computer network and online sites containing information on a wide range of topics; providing user access to global positioning signals for navigation purposes; providing user access to search engines; provision of access to electronic messaging systems;

provision of access to television, including via decoding apparatus; provision of broadcasting equipment for outside locations; provision of communications between computers; provision of communications by telephone; provision of communications information; provision of electronic communications facilities; provision of electronic data links; provision of electronic mail facilities;

provision of facilities for radio receiving and radio transmission; provision of information in the fields of communications, telecommunications and news by means of electronic communications networks including global computer networks and mobile services, including SMS, MMS and 3G services; provision of information relating to communications; provision of private mobile radio services; provision of telecommunication facilities;

provision of teleconferencing facilities; provision of telephone directory information; provision of user access to the Internet; radio broadcasting; radio communication services, including by radio telephone; radio information services; radio telecommunications; radio-facsimile services; receiving communications and transmissions including e-mail, text, audio, images and audio-visual material;

remote transmission of data by means of telecommunications; rental of apparatus for the broadcast of audio and video signals; rental of broadcasting time by satellite; rental of broadcasting, communication, information transmitting, message sending, television, cable television, radio, satellite broadcasting, communications, telecommunication and telephone apparatus, instruments, installations, systems and equipment;

rental of electronic mail-boxes, facsimile apparatus, information transmitting equipment, local area networks, message sending apparatus, modems, paging equipment, signal decoders, signalling apparatus and telephone circuits and lines; satellite broadcasting, communications, telecommunications, transmission and conferencing services; sending of messages by electronic means; SMS and text message services, including SMS and text alert services;

telecommunication services being the provision of links to databases; telecommunications advisory services; telecommunications brokerage and consultancy; telecommunications routing and junction services; telecommunications; teleconferencing services; telegraph services; telegraphic communication services; telephone paging services; telephone services; teletext services; televisual communication services; telex services;

transmission of computerised data; transmission of data, documents, messages, television programs, radio programs and information, including by audio-visual apparatus, cable, computer, television, telephone, radio and microwave, and by electronic means; transmission of information on a wide range of topics by means of electronic communications networks including global computer networks and mobile services, including SMS, MMS and 3G services;

transmission of information on a wide range of topics via on-line services (including online, interactive, digital and datacasting information services); broadcasting of information on a wide range of topics; transmission of information on a wide range of topics, including via on-line services (including online, interactive, digital and datacasting information services) and via mobile services including SMS, MMS and 3G services;

transmission of information on a wide range of topics, including on-line and over a global computer network; transmission of news; transmission services (regardless of the technological means of transmission); video communication and transmission services; videotext services; webcasting; wireless communication and telephone services; operating chat rooms;

telecommunications services being the provision of on-line facilities, via a global computer network, to enable users to program audio, video, text and other multimedia content, including music, concerts, videos, radio, television, news, sports, games, cultural events and entertainment-related programs; telecommunications services being the provision of access and viewing facilities for entertainment and media files;

information, support, assistance, consultancy and advisory services in relation to the foregoing

**Cl. 41** Production of television programs and television content, including interactive television programs and television content; production of television and radio shows, video and audio tapes and DVDs; educational and entertainment services provided via all forms of publication, delivery, dissemination and electronic transmission, including broadcast, narrowcast, multi-point, point-to point, free-to-air, pay and subscription television, streaming, online transfer, download, datacasting and digital means; publishing; electronic publishing; information services (including on-line, interactive, digital and datacasting information services) in the fields of awards, education, entertainment, sport, recreation, political news, news programming, current affairs and cultural activities; publication of information on global computer networks including the Internet; arranging and conducting educational seminars and workshops; publication of information in the fields of awards, education, entertainment, sport, recreation, political news, news programming and current affairs, including via online services; provision of information in the fields of awards, education, entertainment, sport, recreation, political news, news programming and current affairs,

including by means of electronic communications networks including global computer networks; interactive games services; amusements; recreation services; consumer education services including in relation to restaurants, clothing, cosmetics, hotels and other temporary accommodation, holidays, motor cars, and consumer goods and consumer services;

arranging, organising, hosting, presenting and conducting of shows, festivals, recreational activities, performances, quizzes, exhibitions, live shows, concerts, stage shows, parties, entertainment events, ceremonies, races, contests, public forums, balls, discos, dances, award ceremonies, sporting events and other entertainment; entertainment services of a magazine club;

advisory services in relation to awards, education, entertainment, recreation, publishing and training; arranging, organising and conducting competitions, contests and tournaments in this class; arranging, organising, hosting, presenting and conducting competitions, awards, award presentations, award ceremonies, honours presentations and honours ceremonies including to recognise achievement, bravery and courage;

arranging, organising and conducting competitions, contests and tournaments for cultural, educational, entertainment, training, culinary, sporting, recreational, artistic, musical, dancing, racing and equestrian purposes; competitions provided by telephone, SMS, MMS, 3G and other communications technologies; conducting of phone-in competitions; conducting of competitions by SMS, MMS, 3G and other communications technologies; cinema services;

commissioning of literary, artistic and musical works; distribution of audio recordings, films, radio programmes, sound recordings, television programs, television program content, videos and motion pictures, other than by transportation; dubbing; editing of audio recordings, films, radio programmes, sound recordings, television programs, television program content, videos and motion pictures and written text;

electronic publication of information on a wide range of topics, including on-line and over a global computer network; event management services; fan club services; gambling services, including provided on-line; betting services; game shows; gaming; gaming machine rental; sporting tournaments; hire of stage and television scenery; hire of video recording apparatus, video tapes, videos and DVDs; magazine publishing; motion picture production; motion picture rental; motion picture and television studio services; racing, including motor racing; movie studio services; musical concert services; musical performances; news and current affairs programs; news program services; news reporters services; organisation and conducting of dance, music and other entertainment festivals, animal shows and ceremonial events;

organisation of fan clubs, games, sporting competitions, symposia, teaching activities, vehicle racing events, ice-skating shows, beauty contests, beauty pageants, equestrian events and golf tournaments; pay television entertainment; photographic film editing; photographic library services; photographic reporting; photography;

producing of motion pictures, plays and videos, animated films and cartoons, audio and/or video recordings, audio entertainment, audio/visual presentations, cable television programmes, cine-films, fashion shows, films, live entertainment, live performances, magazines, motion pictures, music shows, musical recordings, news and current affairs programs, plays, radio programmes, sound recordings, special effects, sporting events,

stage performances, stage plays, television programs, theatre and videos; provision of an online chat room/forum for educational or entertainment purposes; rental of acoustic recording equipment, acoustic reproduction equipment, amplification and sound reinforcement equipment, audio equipment, audio and video recordings, camcorders, CD-ROMs, cine-films, cinemas, cinematographic apparatus, entertainment apparatus, DVDs,

educational materials or apparatus, electrical apparatus for the recording of sound or video signals, equipment for use at sporting events, facilities for the production of television programs or films, film studios, films, motion pictures and film production equipment, gaming machines, sports equipment, lighting apparatus for theatrical sets or television studios, magazines, motion pictures, movie projectors and accessories, pre-recorded films,

projectors, radio and television sets, show scenery, sports facilities, stadium facilities, stage scenery and sets, television programs, television sets, video cameras, video recorders, video recordings and videotapes; reservation and booking services for entertainment events; booking services for seats for entertainment events; sporting activities; syndication of radio and television programs; telephone games; television entertainment;

television program distribution (other than transportation); television studio services; television viewing guide services; theme park services; video arcade services; video editing; video entertainment services; video equipment hire; video game arcade services; video game entertainment services; video production services; video rental services; videotaping; wagering services; writing for others;

information, support, assistance, consultancy and advisory services in relation to the foregoing

**Cl. 6** Metal bottles and metal bottles for gases for medical purposes mounted on mobile carriers; retaining fixtures, support arms and stands made of metal for lamps and lights intended for medical purposes; support structure made of metal beams, prefabricated wall and ceiling elements made of metal for prefabricated operating theatres

**Cl. 9** Weighing, measuring, signalling, checking, monitoring, life-saving and teaching apparatus and instruments as well as their parts; scientific apparatus and instruments; breathing apparatus, except those for artificial respiration; equipment for the recording, storing, processing, indicating and displaying of data; computer programmes (stored/downloadable) and computer programmes stored on data carriers;

electronic, electromechanical and pneumatical controls for surgical, medical, dental and veterinary instruments and apparatus; devices for the recording, transmission, storage, documentation and reproduction of sound or images; online-monitors for the continuous monitoring of blood parameters; switching apparatus consisting of electrical switching devices;

monitoring apparatus consisting of online-monitors for the continuous monitoring of blood parameters

**Cl. 10** Surgical, medical, dental and veterinary instruments and apparatus as well as their parts included in this class, artificial limbs, implants (made of artificial materials), orthopaedic articles; operating tables and their parts (included in this class); tables and chairs for the examination and treatment of patients; patient stretchers and patient beds; transfer units for transferring patients from or onto a bed (lifting apparatus);

equipment to be attached to operating tables and intended for supporting, fixing and aligning limbs; auxiliary means for supporting patients and for decubitus prophylaxis (included in this class); medical heating mats for supporting patients; medical devices for the monitoring and measuring of body functions of patients; insufflators for medical purposes; respirators for artificial respiration;

anaesthesia devices, respiration masks, dosage devices and flow measuring devices for respiration and anaesthesia gases, devices for medical purposes for the analysis and determination of the concentration of respiration and anaesthesia gases; humidifier and nebulizers for medical purposes; parts of the aforementioned devices included in this class;

heart-lung machines and their parts (included in this class), hyperthermia devices and hypothermia devices, oxygenators, containers for liquids and gases for medical purposes; pumps for medical purposes for the transport of body fluids; suction pumps for surgical, bronchial and drainage suction; secretion containers, tubes, filters and closures (each for medical purposes) for suction and for the administration of oxygen;

blood filters (medical apparatus), blood concentrators (medical apparatus); heat exchangers for medical purposes, catheters and cannulae, purpose-made tubes, tube connectors and valves for medical devices; medical pressure measuring instruments; annuloplasty prostheses; medical mammaria retractors; cardiac pacemakers and electrodes therefore, cardiac valves, stents; medical supply tubes ((included in this class);

compressors (surgical), containers for receiving medical materials, purpose-made lines for medical apparatus, valves (included in this class), flow measuring devices for medical purposes; devices for the mobile administration of oxygen for medical purposes; furniture especially made for medical purposes; lamps and lights mounted to ceilings and walls and intended for medical purposes (surgery, diagnosis or therapy);

medical decontamination apparatus for the decontamination of operating table tops and operating table accessories, surgical containers and covers, furniture for operating theatres, surgical foot wear, as well as transporters, transport trolleys, racks, and accessory stands used for carrying surgical equipment and accessories;

purpose made ceiling-mounted support and maintenance units for medical devices with connectors for supplying electricity to medical apparatus and for supplying and/or discharging or conducting, respectively, gases, liquids and/or signals to or from medical apparatus, respectively

**Cl. 11** Locking fittings and extraction fittings and/or extraction valves for central gas supply installations for the supply of gases for medical purposes; lighting, heating, cooling, drying, ventilation, climate control and air conditioning devices and apparatus as well as sanitary facilities for prefabricated operating theatres; sterilizers (medical devices)

**Cl. 12** Transport carriages (carriages/vehicles) for the transport of operating tables and operating table boards

**Cl. 37** Installation, assembly, maintenance and repair of surgical, medical, dental and veterinary instruments and apparatus as well as of computers and computer peripherals

**Cl. 41** Tuition and practical training in the use of surgical, medical, dental and veterinary instruments and apparatus as well as in the use of computers supporting the aforementioned apparatus

**Cl. 42** Development, installation, updating and maintenance of data processing programmes; adaption of data processing programs by means of installation services; technical consulting services related to the adaption of data processing programmes; leasing of data processing programs (software) and computers (hardware); technical consulting related to computer hardware as well as to the operation of hospital wards

**Australian Competition and Consumer Commission Matters**

**Initial Assessment Given by the ACCC**

The applicant/holder, or another person may, within one month of the date of this Official Journal:

- (i) respond in writing to the ACCC; and/or
- (ii) ask the ACCC to hold a conference

The rules to which the notice relates are available for inspection at the Trade Marks Office.

**Application for Variation of the Rules Governing the Use of a Registered/Protected Certification Trade Mark**

**1075870 National Heart Foundation of Australia ACN/ARBN 008 419 761.**

The initial assessment given by the ACCC is to approve the variation.

It is the Commission's assessment that: (a) the approved certifiers are competent to certify; and (b) the rules are not detrimental to the public, having regard to: (i) the principles relating to restrictive trade practices set out in Part IV of the Trade Practices Act 1974 (the Act); (ii) the principles relating to unconscionable conduct set out in Part IVA of the Act; (iii) the principles relating to unfair practices, product safety and product information set out in Part V of the Act.

**Renewal of Registration/IR**
